COMMUNITY FREE FLYER POLICY

Peachjar's Community Free (Free Flyer Posting Program) was created to allow local community organizations to distribute their digital flyers to nearby schools at no cost when promoting a free event or activity that does not encourage participants to join a fee-based program, or include the opportunity to purchase products, services, or food and beverages. To ensure flyers are relevant to all parents and to decrease approval requests received by districts, Peachjar limits organizations using Community Free flyer distribution to one posting every 30 days for up to 25 schools.
