Kent-Meridian Student Expectations

1.

follow that classroom rule while in that teacher/staff members classroom. Failure to comply with a reasonable request to remove your headgear in a space that has been clearly stated that it is a Headgear FREE zone, will be subject discipline.

- 2. All headgear and face-wear must be appropriate for school, just like your clothing. It cannot have drug or alcohol references, no weapons, inappropriate language or derogatory or offensive pics or words or represent any gang affiliation.
- 3. To make this work we need students to help monitor one another. If students are breaking this rule, either by content of the hat or refusing to respect a teacher's classroom rules, we need everyone to remind those that this is a change for the good and if people intentionally break the expectations above, this headgear freedom could be revoked.

11. Follow lunch time rules.

- Clean up after yourself and dispose of trash and recyclables in their appropriate places.
- o Display appropriate behaviors at all times.
- o NO access to vehicles or lockers during lunch.
- o Written passes from teachers are required for students to see classroom teachers during lunch.
- o During lunch, only the courtyard, commons, East Wing designated play lot and cafeteria are authorized.
- o Students are not to leave campus without parents/guardians and/or school permission and need to check
- o out at the attendance office.
- Students with off-campus passes for lunch are not allowed to drive vehicles off campus for lunch.
- Administration/Security will ask for ID with an off-campus sticker before allowing a student off-campus.
- 12. If you drive, follow KM parking guidelines and drive SLOW on campus. Required parking permits are \$40.00 with an ASB sticker and \$60.00 without. Students must park in assigned spots. Do not use the front parking lot or any visitor spaces. Illegally parked vehicles may be subject to a fine and/or be impounded. Any vehicle parked on campus is subject to search at any time. Students must have a pass issued by a staff member to access vehicles. Any abuses, such as reckless driving on campus will result in loss of your parking permit and school discipline. Automobiles may not be driven from campus without a pass from the Attendance Office and may not carry unauthorized passengers.

The speed limit is 5 MPH Vehicle must be operated in a safe manner at all times Parking passes my not be transferred to another student Student needs to have current and valid license and insurance
