For pre-arranged family trips:

- Have your student contact the student's teacher via email or check the teacher's Canvas for assignments that will be missed.

Otherwise, if an absence is excused, a student will be permitted to make up all assignments outside of class time, under reasonable conditions and time limits established by the appropriate teacher, except that in participation-type classes a student's grade may be affected because of the student's inability to make up the activities conducted during a class period.
- If the absence occurs at the end of a grading period, all course requirements must be completed prior to leaving.
- School attendance is important, and an extended absence may impact a student's grades and/or academic progress.

LATE ARRIVAL TO SCHOOL

At Northwood we value the time students spend at school. Tardiness to school is strongly discouraged. Parent/guardian(s) are asked to ensure that their student arrives at school prior to the formal starting time, 8:15am. Students are responsible for being in class on time at the start of the school day. A student who arrives to class after 8:15am is considered tardy. Students who arrive late to school, after 8am., shall report to the Attendance Window to obtain an admit slip. Late arrivals due to illness, medical or legal appointments will be excused. Other late arrivals (including those due to failed alarm clocks, car trouble, power failure, etc.) are considered unexcused. Excessive unexcused late arrivals result in disciplinary action.

TARDINESS TO CLASSES

Tardiness is not desirable and unexcused tardiness is not acceptable at Northwood. It is a disruption when students arrive late to class. Students are given adequate time between classes, and it is the student's responsibility to arrive to class on time. Students who have unexcused or repeated tardiness will have consequences that may include lunch detention or afterschool detention.

Any student serving suspension will result in no after school activities on that day.

DEFIANCE OF SCHOOL AUTHORITY

Defiance means the refusal to obey reasonable requests, instructions, and directive of any school personnel (including volunteers or contractors working for the school) pertaining to the orderly operation of the school. Directives regarding safety need to be followed immediately. Talking back to school personnel is also considered defiance. Acts of defiance will result in a referral. Failure to identify oneself promptly and correctly to any Kent School District staff is considered defiance.

TARDIES

Students must be on time for every class. This means that you are present in the classroom when the bell rings. When students arrive late, they miss essential information and can disrupt instruction and impact the learning of others. Students who have unexcused or repeated tardiness will have consequences that may include lunch detention or afterschool detention.
