Introduction

The Family Portal is a site that allows parents access to current information about their student's progress and performance. Parents will be able to see a range of information such as how much time the student has spent working on their courses, what their grades are, and if they are on track to finish their courses on time.

The Family Portal can be accessed at <http://learn.edgenuity.com/family/>.

Clicking on the **link** in the email will begin the registration process. At this point, you will be prompted to enter in the email address where you received the notification email, along with the activation code you were provided by the teacher/admin.
